Allow certificated employees on contract to submit a letter by April 1, 2009 for 2009-2010 and April 1, 2010 for 2010-2011 and complete the required certified credits to move across on the salary schedule according to the credit listed above on the red line (2009-11). Thereafter all moves across will need to meet the column credits identified on the black line (2011-12).

Current certificated employees will be grandfathered at their current placement unless they submit a letter and complete course credits per the deadlines identified above.

Blue figures in shaded box on the salary schedule will remain 5 years, ending 2012-2013 school year.

New certificated employees will be placed on the salary schedule at new column and step placements starting with the 2009-2010 school year.
